

PPS M2 RECALL (M2 MODELS ONLY)

VERIFY YOUR SERIAL NUMBER IS AFFECTED BELOW BEFORE CONTINUING

***The Walther PPS M1 models are NOT affected by the recall. If you have a PPS M1 you do NOT need to send it in for the upgrade.**

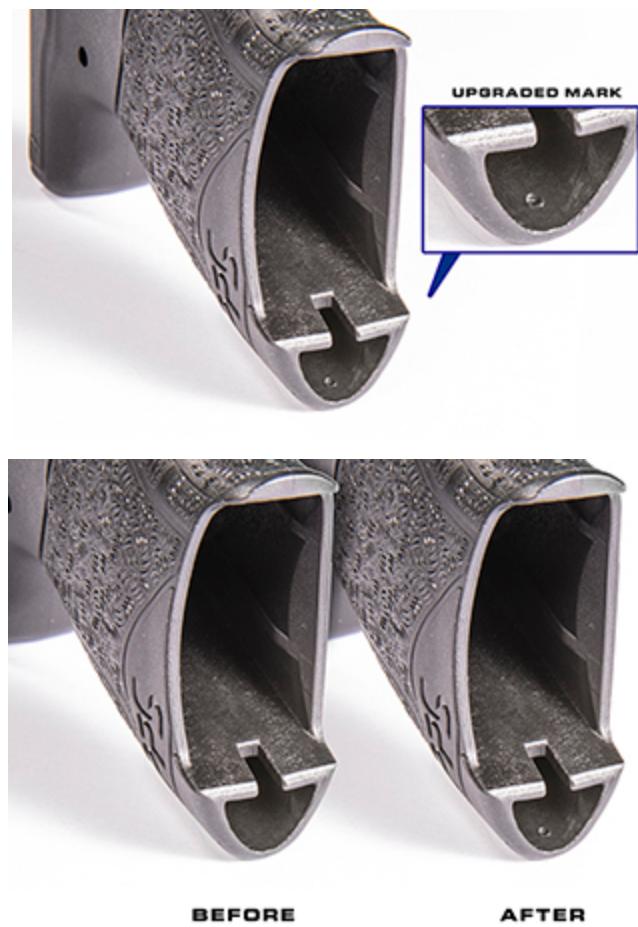

Important Safety Recall – November 2018 Walther PPS M2 Pistols

Walther Arms, Inc. has recently discovered a potential safety issue with certain PPS M2 pistols. Walther is voluntarily initiating a recall to protect the safety of its customers because under certain conditions it is possible that some of these pistols may fire when dropped.

Please do not load or fire your Walther PPS M2 pistol and contact us immediately to arrange to have your pistol upgraded free of charge.

If your pistol has already been upgraded, there will be **a dot milled onto the back side of the magazine well opening.**

NOTE: If the serial number of your PPS M2 is not within the range listed it will NOT have the mark shown above.

The upgrade will be performed at no charge to you. For free shipping, please enter your information [here](#), and complete the online form. NOT ALL PPS M2 MODELS ARE AFFECTED. Be sure to VERIFY that your serial number is affected by the recall before shipping your gun back for the recall. After completion of the form a confirmation email will be sent including shipping information.

Please note: The Serial Number is located on the right side of the pistol (circled in red below)

This recall applies to Walther PPS M2 pistols which have a Serial Number ranging from **AN3020** to **AU7502**

ONLY SERIAL NUMBERS BELOW ARE AFFECTED BY THE RECALL.
